# Duo

Dois universos num só.

A Coleção Duo foi apresentada em 2003, tendo na sua génese um apurado sentido de adaptabilidade, fundindo numa única proposta valências que se pensavam separadas. Desenhada pela Studio Levien, a Coleção Duo transformou-se num clássico do world casual dining, quer em ambiente doméstico, quer no mais exigente dos universos profissionais. A elegância e adaptabilidade das mais de 70 peças que compõem a Coleção Duo, a possibilidade de escolha entre a forma redonda ou oval dos pratos, entre peças empilháveis e não-empilháveis, complementada por peças de forno ou de buffet, fazem da Coleção Duo uma escolha de eleição para quem um sentido funcional vive acompanhado de um sentido estético.

*Two universes in one.*

*The Duo Collection was presented in 2003, having in its genesis a keen sense of adaptability, merging in a single proposal values that were thought to be separate. Designed by Studio Levien, the Duo collection has become a classic of world casual dining, both in the home environment and in the most demanding of professional universes. The elegance and adaptability of the more than 70 pieces that make up the Duo collection, the possibility to choose between a round, oval or square shape of the plates, between stackable and non-stackable pieces, complemented by oven or serving pieces, make the Duo collection a prime choice for those who have a functional sense accompanied by an aesthetic sense.*
