# Tense

Desperte a tensão, viva a experiencial!

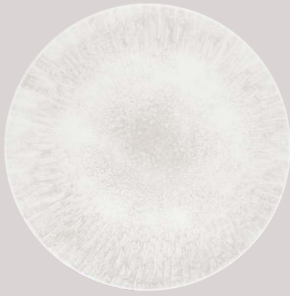

Num mundo pleno de adrenalina, Tense é mais do que um estado de espírito, é uma oportunidade para transcender o comum. Em duas versões, mate e brilhante, "resulta" do trabalho coordenado em vidrados de cor e impressão digital com tintas reativas, Tense convida a abraçar a energia que flui quando as expectativas são elevadas, é a faísca que acende a chama da superação.

*Effervescent magic!*

*The result of combining various Costa Verde collections, Bubbly transports us to a world where every moment is an explosion of joy, where all the senses are awakened and involved in a symphony of effervescence. Feel the subtlety of its texture, while celebrating the calm, tranquillity and innovation of the result of applying a glaze under digital printing.*
